Dear Mr. White:

Enclosed is a copy of the reading information from a study done by Educational Quality Assessment in 1969. This was the last year that information of this type is available.

Our more recent work has focused upon school building rather than individual students and cannot be translated into relationship to national norms.

The Division of Educational Research, Dr. Robert Hayes, (787-7311), may have other information of the type you seek.

Sincerely,

A handwritten signature in blue ink that reads "Thomas E. Kendig".

Division of Educational
