Per Mr. Hepford's memo of August 6, 1973 concerning the above captioned matter, the following information has been obtained to date.

On August 28, 1973, LEO DEPOLO, Chief of Detectives, Westmoreland County, Greensburg, Pennsylvania, advised that he was recently made a member of the Association.

The officers of the Association changed in July, and he does not know who they are at the present time. He advised that the organization was founded and chartered on February 21, 1967. Initiation and membership dues are \$10.00 per person. Each year thereafter, the dues are \$5.00 per person. The organization is state-wide, and he believes that there are several hundred members, all connected with the various county detectives throughout the Commonwealth.

The Director of the organization is FRANCIS LEDERER, formerly connected with the Philadelphia County Detectives. Mr. Lederer is located at 8601 West Chester Pike, Upper Darby, Pennsylvania - telephone No. 215:698-5373.

Depolo believes that ANTHONY C. PARRY, employed as Chief of the Dauphin County Detectives, Harrisburg, Pennsylvania, is a Second Vice President.

There is a written contract with the solicitor and the organization which calls for the solicitor to prepare an annual ad book, as well as solicit on behalf of the organization.

The percentage of collection is 65/35, with the larger percentage going to the solicitor. Each month or less, the solicitor prepares a statement for the Treasurer showing who gave what amount.

The dues for membership is \$10.00 per person ( \$5.00 for retired members ). There are approximately 125 members and they meet for conferences twice a year somewhere in the Commonwealth.

Mr. Lederer advised that Rocco Urella is an active member and Chairman of the Intelligence Committee. He believes that while Rocco Urella is an active member, he has actually attended only one meeting since he joined.

Mr. Lederer is in the process of making available financial statements, bylaws, etc.

Dear Mr. Burke:

As per our telephone conversation this date, I am enclosing a copy of our Constitution and Bylaws, which also includes the names and addresses of all of our members. (119) As I mentioned to you, there is not contained in this booklet our death benefit program that awards the sum of \$1,000 to the family or next of kin of any member if he or she should pass away.

In answer to some of your other questions, I did learn from our Solicitor, Mr. Robert Kirsch of Tubobs Associates, Inc., 8601 West Chester Pike, Upper Darby, Pa., that a weekly report is submitted to our Secretary-Treasurer of any and all receipts. It is my further understanding that the average contribution to the Association is \$15.00.

As I stated to you on the telephone, and as our Conference Report and Bylaws will indicate, we do meet at a summer and winter conference and hold from four to five executive board meetings throughout the year, none of which are held outside the Commonwealth of Pennsylvania. You will also note that according to our Bylaws there are no paid employees of this Association.

We are pleased to note in our Conference Report that we as an Association are very much involved in educational programs for our members, as well as coordinating and providing community services wherever we can make same available by contributing of monies or volunteer personal counsel.

As you will note, most Chief County Detectives in the State belong to our organization and though all County Detectives are not members we feel our program provides service to them through the office of the Chief.

At the present time our Secretary-Treasurer, Mr. Thomas Frame, is on vacation and I cannot give you the exact amount of money in our treasury and or a copy of our financial report from Tubobs Associates, but this will be made available to you sometime next week.

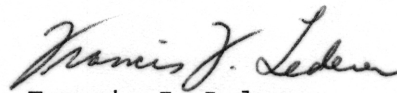

At this time I have a 1972 ad book available (being sent under separate cover) and our 1973 ad book I am advised is in the process of being printed (can be verified) and will be available in the near future.

I am enclosing a copy of the agreement with Tubobs Associates, which you will note gives either party the prerogative of cancelling within ninety (90) days of said term.

It is my opinion, and the opinion of the officers and members of this Association that the County Detectives Association receives in addition to the 35% many supplementary things from Tubobs that are cost factors, such as, photography services, programming services, secretarial services, telephone and communication services (over and above the day to day telephone and communication service involved in the solicitation by Tubobs for the purpose of public support of our organization).

I think at the present time this is all the information you asked for, and I will forward to you upon Mr. Frame's return the gross amount in the treasury and other financial information as per our 1973 treasurer's report.

Sincerely yours,

Francis J. Lederer  
Executive Director
