This project is to develop and implementa "Learning Center" at the State Correctional Institution at Dallas. This center will house a selection of educational materials specifically designed for independent learning by groups or individuals. Most residents at Dallas are school drop-outs who have failed in their experiences with traditional classroom education. In the project, programmed learning materials will be extensively used and each resident can work at his own ability level and continually evaluate his progress in each subject area.

| Admin Office of Penna. Courts DS-368-73A 12 months | 6/4/73 | 2 | E | This project is from the Admin. Office of Penna. Courts to <u>hire</u> a planner-coordinator for supervision and fiscal control of funds granted by the Governor's Justice Commission for projects involving the State's Judicial System. The planner-coordinator will be responsible for planning, coordinating and supervising all court related programs at state and regional level and will be in close touch with the staff of the GJC. | | 23,200 |
| Penna. Board of Probation & Parole DS-373-73A 12 months | 6/4/73 | 4 56 | F A | This project is an augmentation of the Board of Probation & Parole's GRANT-IN-AID PROGRAM to county adult probation offices. The existing grant-in-aid provides funds for <u>additional probation staff</u> for pre-sentence investigations and for improved probation supervision and program. With this augmentation, the Board is in essence submitting a master subgrant application for county probation services. They will administer Safe Streets funds as part of the existing grant-in-aid program. This will include review and approval of subgrant applications submitted by Regional Offices of the GJC, program monitoring, and evaluation to insure compliance with approved grants and Board standards. | | 2,223,803 |
| Penna. Crime Comm. DS-389-73A 12 months | 6/4/73 | | G | This application is a continuation of DS-295-72A. This project will provide for the continued staffing and operation of an <u>organized crime control unit of the Penna. Crime Commission</u> . The objectives are: 1) " <u>Statewide investigation and exposure of organized crime and official corruption</u> "; 2) Maintenance of a statewide organized crime date center; 3) Development of recommendations for legislative and administrative actions to improve Penna's Criminal Justice System; 4) <u>Analysis of legitimate business infiltrations</u> ; and 5) Establishment of more effective liaison with local law enforcement agencies." | | 851,000 |

| v. of Penna. School 390-73A months | 6/4/73 | 2 | E | This project is from Univ. of Penna. Law School for "Indigent Prisoner Litigation Program"; Many state prisoners file civil actions in the U.S. District Court for the Eastern District of Penna. concerning prison conditions which allegedly violate the U.S. Constitution. In late 1971, Judges of that court adopted a local rule pursuant to which they may appoint law students to represent indigent prisoners without remuneration. The court appoints students to cases through the Indigent Prisoner Litigation Program. The members of the Penna. Law School administer and coordinate this project at the law school. | | 13,174 |
| m. Release Agency - 392-73A month | 6/4/73 | 3 | E | This project is for one month continuation funding of the Community Release Agency, which is made up of a network of participating community organizations from the Hill District, Homewood-Brushton, and the North Side sections of Pittsburgh. The CRA, after investigation, will make nominal bond recommendations to the minor judiciary. Further, the Agency notifies a defendant of his hearing date and supervises any conditions of his release while awaiting trial. | | 19,059 |
| Allegheny Regional Narcotic Task Force -393-72A months total project - \$354,390. ,000 frunded from 1972 nds. | 6/4/73 | | G | To initiate a joint effort by all law enforcement agencies within Allegh. Co. in the control, apprehension and successful prosecution of upper echelon persons dealing in the sale and distribution of narcotics and dangerous drugs. This objective will be achieved through the operation of a 52-man regional narcotic task force under the direction of an advisory board composed of law enforcement officials and representing county-level and local law enforcement agencies. | 21,699 | 260,390 |
| | | | | Sub-total | 21,699 | 4,859,432 |
