Mr. Jack Conway, President

Dear Mr. Conway:

The House Select Committee on State Contract Practices is presently considering the possible recommendation of public financing of elections as a vehicle to insure that State contracts are not bought and sold for political contributions or kickbacks.

Because we are aware of your extensive work in this area, we would be most appreciative if you would forward any and all appropriate materials to the Committee in care of the office of the Special Counsel, Room 288, Main Capitol Building, Harrisburg, Pennsylvania 17120.

Thank you for your kind attention to this request.

Cordially,
