Chairman Chris Sainato
30 East Wing
Harrisburg, PA 17120-2009

Dear Chairman Sainato:

I am writing to inform you that the committee will be holding an informational tour of Soldier's Grove and the facility located underneath the Grove.

As you may recall at our last meeting, the general consensus of the members was to take a tour, hosted by DGS, of the underground facility, in order to have a better understanding of the challenges faced by the Committee and DGS in developing a plan to address the limited space availability of Soldier's Grove.

The conduct of this tour will also assist the Select Committee in formulating its findings and developing its recommended plans to the House of Representatives.

To that end, I have scheduled this tour of Soldier's Grove for October 16, 2012 at 10:00 AM. This tour is expected to last about 30 minutes and we will all meet in front of Soldier's Grove by the flag poles to begin the tour.

If you should have any questions or concerns, please contact my office.

Sincerely,
