Here is something that bothers me about state government: \_\_\_\_\_

Dear Ken: :

**BRANDT WILL LISTEN TO YOU!**

ELECT

# **KEN BRANDT**

YOUR REPRESENTATIVE  
IN THE GENERAL ASSEMBLY  
FROM THE 98th  
LEGISLATIVE DISTRICT

**PART OF THE ANSWER . . .  
NOT PART OF THE PROBLEM!**

## PUT KEN BRANDT IN THE STATE LEGISLATURE

The real issue during the 1972 election is Milton Shapp and his Democratic legislature. They have been in control for two years; taxes have gone up, the economy gone down and the problems of Pennsylvania have gone unchecked.

It is vital that we send men to Harrisburg who will represent all of us, full time, are dedicated to stopping runaway spending and taxes, and can solve the problems of the Commonwealth.

**KEN BRANDT WILL REPRESENT YOU.** The average citizen has a right to be heard in Harrisburg. He needs someone who will stand up and fight for him . . . someone who will listen. Ken Brandt will.

**KEN BRANDT . . . THE AVERAGE GUY.** Just like you, Ken Brandt wants a good future for good families. He and his wife, Jean, have five children. As a small businessman and a lifelong resident of the 98th district, Ken has served as President of the local P.T.A. (1966-67), is active in the First Church of God in Elizabethtown, is a member of the local Jaycee organization, serving as local chapter president, a state and national officer and a J.C.I. Senator, and was elected to the Elizabethtown Area School Board in 1969.

**KEN BRANDT SUPPORTS THE PRESIDENT.** He knows the single most important issue in 1972 is the re-election of our President, Richard M. Nixon. He urges that Republicans and Democrats of the 98th District, vote for and support the President.
