Honorable C. L. Schmitt  
Room 149-A Main Capitol

Dear Representative Schmitt:

You will find attached here an amendment for Senate Bill 719 which I had drafted. I think that the effect of this one-word addition to the present language of the bill, which is in your committee, can easily be seen.

In your considerations of Senate Bill 719 would you please be certain, if at all possible, that attention is given to this amendment.

Thank you.

Sincerely,
