Representative Susan Laughlin
555 Merchant Street
Ambridge, PA 15003

Dear Representative Laughlin:

Thank you for your assistance in providing direction to granting opportunities within the State of Pennsylvania. In receipt of the Pennsylvania Department of Community and Economic Development Single Application for Assistance, we have completed the application and per your conversation with Maureen Morelli, the agency's Board of Directors Chairperson, returning it to you for forwarding to the appropriate office for review and consideration.

As previously stated, we are hoping that we can tap into those sources available to be able to continue to provide services and support to those in Beaver County who are living with HIV/AIDS.

Thank you again for your time and expertise.

Sincerely,

A large, stylized handwritten signature in black ink, which appears to read "Janet D. Milliner".
