FOR  
STATE REPRESENTATIVE  
LEVER 24 A**

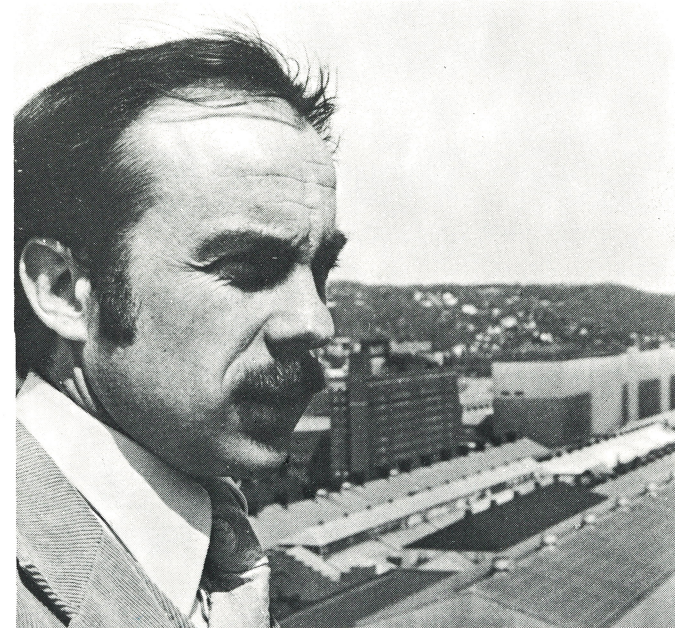

TOM MICHLOVIC

*"People are the most important part of politics. With aggressive and energetic representation, much more can be done to help our neighborhoods. When new programs are introduced, we have to be there knocking on the door selling ourselves. This isn't happening now, and every voter should ask why."*

TOM MICHLOVIC

*"Unless a representative keeps in touch, the voters have no way to judge their performance. I will open a Legislative office in this district, with regularly scheduled hours. I want the people to know what is going on."*

TOM MICHLOVIC

*"I believe in full time work for full time pay. And that includes work on the House floor. The incumbent, Speedo Valicenti, has taken a powder on more controversial votes than I care to remember. He may think it's good politics. I don't. I think he's cheating his constituents."*

*"Ghosts are supposed to frighten little kids. Well, there are some ghosts in Harrisburg that would frighten any voting adult. These ghosts are on the payroll, but do no work. The incumbent has had relatives and friends ghosting on the state gravy train. He of course doesn't want things to change. I do."*
