

"...because you deserve better."

A BRIEF LOOK AT TOM MICHLOVIC

EDUCATION

Tom Michlovic holds a Bachelors Degree in political science from the University of Pittsburgh.

Tom also earned a Masters in Public Administration from Pitt's Graduate School of Public and International Affairs.

EXPERIENCE

Tom Michlovic has lived in the area all his life.

- He's worked here, first as a surveyor, then as a public administrator;
- While others left, Tom stayed. He made a commitment;
- He knows the area, the people, and their problems.

Tom Michlovic served his country

- Tom was drafted in 1967 to serve as an infantryman in Vietnam;
- He was decorated with the Purple Heart for wounds received in action;
- In less than two years' time, Tom rose from private to sergeant.

Tom Michlovic knows government

- Tom has many years of administration experience in local government;
- In that time, he has secured Federal funding for police training in the Steel Valley, directed the development of standardized records systems in the Turtle Creek Valley, and is presently managing a sidewalk improvement program in nine nearby towns;
- On the state level, Tom worked, for a short time, as a research analyst for the House Insurance Committee;
- Tom Michlovic knows government, its workings, and its failings.

ENERGY

Tom Michlovic brings a new perspective to the office of Representative . . . and the vitality to make it felt in Harrisburg. Perhaps the best illustration of this is his long record of public service in volunteer activities.

- Tom served for over five years as a local spokesman for Common Cause, a national citizen's lobby and watchdog organization. Writing letters, organizing citizens, and speaking out on issues of ethics in government and government reform, Tom was a force for change.
- As a member of the Board of Directors of the Alliance for Consumer Protection, Tom also fought against consumer fraud and deception.
- Locally, Tom is a member of the Braddock citizens for a Better Community, a group dedicated to the revitalization of the Tri-Boro area.
