

MICHLOVIC FOR LEGISLATOR

"...because you deserve better."

**WHERE IS VALICENTI
WHEN YOU NEED HIM?**

THE BASIC PRINCIPLE BEHIND GOOD GOVERNMENT IS GOOD COMMUNICATION.

But all too often, this does not occur. Too many politicians fail to take the initiative to seek out peoples' opinions. You may see them around while they are running for office, but as soon as the election is over, they disappear . . . until the next election.

THE CURRENT REPRESENTATIVE FOR THE 35th. LEGISLATIVE DISTRICT, A. J. VALICENTI, HAS BEEN A TOTAL FAILURE AT STAYING IN TOUCH WITH THE PUBLIC.

Think about it . . .

WHEN WAS THE LAST TIME YOUR REPRESENTATIVE IN HARRISBURG MADE ANY EFFORT TO ASK YOUR OPINION ON A VITAL STATE ISSUE? Have you ever seen a survey or even a report out of his office?

HAVE YOU EVER SEEN HIM ON THE FIRING LINE FACING AN ASSEMBLY OF ANGRY CITIZENS who were upset over ever increasing taxes, inadequate services, or just plain government red tape?

IF YOU HAD A PROBLEM WITH A STATE AGENCY, COULD YOU GET IN TOUCH WITH HIM? Could you reach him when you need him without having to bother his wife or family at home? What if you had just moved into the district and didn't know him. Is there any office in this district where you could walk in and talk with him?

The answer to all of these questions is **NO!**

IN THE 10 YEARS THAT A. J. VALICENTI HAS BEEN YOUR REPRESENTATIVE, HE HAS NEVER OPENED AN OFFICE even though he is given a yearly expense account of \$7,500 which may be used for that purpose. If maintaining contact with his constituents isn't important enough to spend his expense money on, then what is? Other legislators have them, why not here?

Valicenti has never even attempted to conduct an opinion poll among the people on anything other than his re-election. Don't you think it's time to change that?

THERE IS A BETTER CHOICE . . . TOM MICHLOVIC.

TOM MICHLOVIC IS OFFERING YOU A VOICE IN YOUR GOVERNMENT. He isn't making a whole lot of promises but there is one he **can** make because he knows **he can keep it.**

TOM MICHLOVIC WILL STAY IN TOUCH WITH YOU.

There are lots of ways that this can be done. As **your** representative, Tom is committed to:

OFFICE IN THE DISTRICT staffed by a part-time secretary or volunteer — nothing fancy, just enough to make sure you can get in touch with Tom when you need him.

24-HOUR TELEPHONE ANSWERING SERVICE a phone number that will always be answered whenever you need to reach him — even when he's in Harrisburg. He will get your message and return your call when you need him.

ROVING OFFICE HOURS one week in Turtle Creek, the next in Trafford, and the next in Rankin — Tom will spend Saturday mornings in different municipal buildings so you can walk in and talk to him . . . in your town, on your turf.

NEWSPAPER REPORTS articles in the Free Press and Allegheny Reporter—Tom will keep you informed on his activities, his positions, and the reasons behind them.

But remember, the incumbent's record shows that you will not have any of these things . . . **UNLESS YOU VOTE HIM OUT.**

**LET'S END THE SILENCE IN HARRISBURG
VOTE TOM MICHLOVIC for LEGISLATOR ". . . because you deserve better."**
