MOTHER'S DAY, 1948  
With two of her 11 children  
John and Tommy

*We all owe our mother more  
than we can ever repay.*

*Her wisdom, her caring and  
her love are with us all of the  
days of our lives.*

*On this Mother's Day let us  
each thank that woman who  
made us what we are, and  
pray that God rewards her  
with joy and everlasting  
peace.*
