State Representative

Don Dorr...State Representative

Don Dorr. He is the State Representative who said convicted state officials should not get tax-supported pensions. Everyone knows the highway department is troubled by political abuse and corruption. Don Dorr has been working on legislation to change that.

Don Dorr believes a State Representative should keep in touch with the people back home and that's what he does by sending us a newsletter the Dorrbell.

Don Dorr is one State Representative who has opposed wasteful government spending and excessive taxes. (We need more like Don Dorr.)

Please vote for Don Dorr. State Representative. General Assembly. November 7. Thank you.
