SUBJECT: Child Witness Legislation

In the very near future, I will be introducing legislation to implement the constitutional amendment approved by Pennsylvania voters in November, 1995. This amendment allows the legislature to write a statute to permit child witnesses in sexual abuse cases to testify via closed-circuit television or videotape.

I hope you will join me in sponsoring this landmark piece of legislation. If you are interested in co-sponsoring this legislation, please contact Jodi at 7-2686 or via PROFS (JMARSICO).

Re: Senate Bill 1322 Bill Signing

It would be appreciated if you would schedule a mock bill signing for Senate Bill 1322.

This legislation makes provisions for children who are witnesses and victims and stems from a court case, Commonwealth v. Loudon, which originated in Lebanon County.

If you would be gracious enough to grant this bill signing, I would like to invite Lebanon County's District Attorney, Brad Charles.

Thank you for your consideration in this matter.
