DATE: June 9, 1997
SUBJECT: Proposed Resolution

I will be introducing a House resolution on Wednesday, June 11, 1997, to recreate the State IMPACCT Commission. As you know, the State IMPACCT Commission was created by House Resolution 2 of last session. That Commission has now issued a report. That report includes many useful, cost-saving measures.

However, I believe it is important that the Commission be continued through this session. To the extent that saving money should be a continuous goal of state government, the Commission will serve a useful purpose in further reviewing state operations and suggesting additional cost-saving measures.

Please contact my office at 7-2686 or via PROFS at JMARSICO by Wednesday, June 11, 1997, at 10:00 a.m. if you wish to cosponsor this resolution.
