Dear Representative Zug,

When you responded to our candidate survey prior to the 1998 elections, you indicated that you would be willing to co-sponsor and work for legislation known as "paycheck protection" which, you may recall, Representative Curt Schroder introduced in the last legislative session.

I know that this legislative year has been quite hectic, which is why I am writing to let you know that Representative Schroder has circulated a co-sponsorship memorandum and, based upon your commitment, I thought you might have overlooked it.

Please contact Representative Schroder's office to let him know of your interest in supporting his legislation. As you know, this is an issue of genuine interest to our membership, and I will look forward to informing them that you are supporting this legislative initiative as part of your overall commitment to individual liberty in the work place.

If you have any questions or would like to discuss this issue, I would be glad to talk with you. Thank you in advance for your consideration.

Best regards.

Sincerely,

Susan Staub (Mrs.)
President
