CHESAPEAKE BAY COMMISSION

**TO:** All House Members  
**FROM:** Representative Peter J. Zug  
**SUBJECT:** Proposed Legislation  
**DATE:** June 7, 2000

In the near future, with the permission of Senator Roger Madigan, I will be introducing a companion bill to Senate Bill 1131 to protect farm equipment dealers from unfair practices by the manufacturers who they represent.

The legislation is designed to protect the significant investment in equipment made by dealers from unfair changes made by the manufacturers. It is also designed to protect the succession of the dealership in order to provide for keeping the business in the family.

If you should wish to become a cosponsor of this legislation, please contact Kim Chrysler via groupwise or at 7-2686.
