•Comments:

Peter,

I spoke with Ms. Regan and was able to get a clearer understanding of what she wants to change in the current law. If you look at the attached SB975, ss6320, and compare it to the ss6320 in the PA Consolidated Statute, you can see that SB975 is more detailed in "a. offense defined." This is why she still would like you to pursue legislation that would change this section of the law.

I told Karen Dalton that we would get back in touch with her once we got this further clarification from Ms. Regan. Let me know if I should call her to draft legislation.

Please call if you need further clarification.

•Comments:

As discussed, here is the PA law (PA Consolidated Statutes) for Title 18, Chapter 63. An attorney from the Judiciary Committee believes that this law covers most cases. If you do not feel this covers your case, please let us know and Pete will consider drafting legislation to introduce in the House.

I look forward to hearing from you.

MEMORANDUM

TO: All House Members

FROM: Representative Peter J. Zug 

DATE: 

SUBJECT: Legislation – Sexual Intimidation of a Child

I am introducing legislation to create the offense of sexual intimidation of a child.

The need for such a statute was made to me by the mother of a child who was intimidated by another and then photographed naked. Because this act was committed to intimidate, as opposed to gratifying another person sexually, a prosecution could not go forward. To this day, the guilty party remains unpunished.

Please join with me in co-sponsoring this much needed legislation.

If you care to co-sponsor the bill, please call Felicia Ernst at 787-2686 or contact her via Groupwise.

Thank you.
