RE: Intermediate Unit Study Resolution

Per your request, attached please find the Legislative Reference Bureau draft of the resolution we have been working on with the Pa. Association of Intermediate Units (PAIU). The resolution directs the Joint State Government Commission, assisted by a bipartisan task force, to conduct a study on how to best utilize the state's 29 intermediate units to provide effective, cost-efficient and coordinated services to local school district and other agencies. The study would have to be completed by January 1, 2002.

Please let me know if you need anything further in this regard.

I had a call today from PAIU wondering when you were going to introduce the resolution to study how to use them more efficiently...they want to be supportive of its passage.

Pete,

I was wondering the same.

1. Shall I propose blue backs.
2. Any particular order for co-sponsors?
