RE: Agriculture Loan Forgiveness

DATE: March 7, 2006

Many of you may recall that in November of 2004 we amended the Agriculture Education Loan Forgiveness Act (Act 181 of 2004), expanding the eligibility requirements to include college graduates who become employed teaching an agricultural curriculum at the elementary or secondary level.

Since the Act was not passed until November it excludes (inadvertently, I believe) those graduates who actually began teaching in August or September, at the beginning of the 2004-05 school year. I will, therefore, be introducing a corrective amendment to Act 181 of 2004 making it possible to include such graduates.

If you agree and wish to join me in sponsoring this legislation, please contact Lori Losch at 787-2686 or llosch@pahousegop.com.
