Re: Hotel/Motel Tax Bill

Dear Jake:

Here is the bill which we just concurred on. It now goes to the Governor.

No reason why the construction of the convention center can't begin and Mr. Scott going through with the development of the hotel or hotels.

Keep in touch. Just call me the people's servant.

Sincerely,

Dear Jake:

Don't let this Capital Budget fool you. House Bill 260 PN 1529 contains most of the projects you have requested the remaining requested projects would be inserted when the bill is reprinted. Regarding you May 11th fax I have enclosed copies from the bill which address those particular projects. The Shades Beach project is currently not in HB 260, however it will be when the bill is reprinted.

It is my understanding that the Capital Budget bill will not be acted upon until late September or October; therefore we have additional time to submit additional projects if needed. If you would like to further discuss this, I will be in Erie on Thursday May 13th. Thank you.

Sincerely,
