Dear Representative Egolf:

On behalf of Representative Julie Harhart, chairperson of the Infiltration Task Force, I would like to welcome you as a member of the task force pursuant to the Joint Legislative Air and Water Pollution Control and Conservation Committee's 1999 report, "Infiltration of Water into Sewage Treatment Systems".

The first meeting of the task force is scheduled for **Thursday, July 13, 2000. The meeting will be held at the Zepher Park Community Center, 1975 Schadt Avenue in Whitehall, Pennsylvania beginning at 10:00 a.m.** (directions are enclosed). Lunch will be provided.

A tentative schedule of events includes a presentation on funding issues (federal, state, and local perspectives); a discussion on standardizing municipal specifications for wastewater systems and Pennsylvania's One Call Program.

I welcome your participation and hope that your schedule permits you to join us. Your input and expertise regarding this issue is valued. Please contact my office at 717-787-7570 to confirm your attendance. If you have any questions concerning the meeting, feel free to contact me or a member of my staff.

Sincerely,

Craig D. Brooks
