Dear Representatives Birmelin and Tangretti,

It was my honor to speak to your pro-life caucus Monday. Thank you so much for hosting the lunchtime event and for inviting me. The Illinois legislature is dismal when it comes to the pro-life issue, so I felt as if I were in the twilight zone... but it was a good twilight zone!

I'm grateful for your efforts to spotlight both the atrocity of abortion and aspects of the activist pro-life movement. I pray your members were encouraged to become even more involved in the effort to stop abortion.

You were all very gracious to me. Thank you so much for many kindnesses you showed me. Thank you also for the work you do on behalf of the children.

God speed,

Jill

Memorandum

Date: May 3, 2004

Subject: Reminder

To: Members of the Pro Life Caucus

From: Representative Jerry Birmelin

Just a reminder that Jill Stanek will be speaking to the Pro Life Caucus on Monday, May 10, 2004, in Room 205 Ryan Office Building at 11:00 AM. Lunch will be provided.

After hearing Ms. Stanek speak, Representative Tangretti suggested that she would be an excellent person to address our Pro Life Caucus.

Ms. Stanek became a national figure in the crusade against abortion after making the discovery that babies were being aborted alive and allowed to die without medical care in the hospital where she worked as a registered nurse. She went public with this revelation and has since been quoted in the national media, on television and radio, and has testified before Congress and several state legislatures.

If you have not already notified my office of your attendance, please do so by calling 783-2037 or emailing bjones@pahousegop.com.
