

I. Usual Greetings

II. Our Rights are under attack

- A. Those that genuinly believe that gun control will work
- B. Those that know that it won't work but are using the argument to divert our attention from what needs to be done.
- C. Assult weapons no less

III. Gun Control has never worked and never will work

- ~~checked by Hans done the people...~~
- A. All the cities that gun control have highest crime rate
 - B. There is no correlation between gun control and reduced crime rates

IV. Anti-Crime measures only boil down to getting the criminals of the streets

- A. Three strikes and your out
- B. Mandatory sentences
- C. Root causes arn't going to show up until for at least generation we need help now.

V. Voted on HB 185 (premetion standard) States primacy in gun regulation

- A. Passed 134-63 (very unusual parliamentary munuver
 1. objected to it going over
 2. reverted to prior printers number
 3. revoke suspension of rules (no more amendments)
- B. Going to Senate but Governor said he would veto but we should have enough for override
- C. But can bet were going to have to visit this again

VI. Course of Action

- A. Going to take the iniative by introducing our own package of bills to deal with crime

1. Strong measures of mandatory sentencing
2. Instantious background check
3. Mental Health checks

VII. What do we do.

- A. You have to identify those who need to be educated
- B. Those people have to be contacted IN PERSON
 1. Call and make an appointment
 2. Select your most articulate people to go to the appointment
- C. Letters and phone calls are ok, but personal visits are the most important approach
- D. In controlled and logical way you present the facts that are incontrovertable
- E. You ask that if they're really serious about crime control would they support measures that make sense
 1. Mandatory sentences
 2. Longer sentences with no parole
- F. Never leave until you get an answer if possible
Don't let them off the hook
- G. If unsuccessful then you must make it understood in no uncertain terms that you will work against them politically with the power that you can generate
 1. Not mad or loud just the facts
 2. Organize don't wait to hear from NRA
 3. Phone calls to other clubs in that district
 4. Massive number of phone calls and letters
 5. Picket if you have too.
