Dear Tom:

It was really good news to hear that HB90 received some funding. Not up to our hopes, to be sure, but at least it's a start.

Thank you very much for initiating this legislation which holds so much promise for our cities.

Best wishes.

Sincerely,

Louis J. Appell, Jr.
President

Dear Mr. Appell:

Thank you very much for your kind letter. It was very thoughtful. However, I know that any success that we had on the historic preservation program this budget year was a direct result of your personal intervention, particularly in that last week.

It is I who needs to thank you. As a former employer of mine, Congressman John Dent was fond of saying "anyone can introduce a bill, the trick is to get it passed". Even though the part I played was minimal I am very happy to have been a part of the beginning of an effort that may be the 21st Century's best economic development tool to revitalize our cities.

I look forward to working with you in the future on an expansion of this grant program. Perhaps in the next "go-around", we can convince the Administration of the efficacy of the tax credit approach.

Sincerely yours,
