Whereas, *The Fourth Grade Classes at Greene Township Elementary School are being recognized for their dedicated efforts to preserve the environment through a recycling program; and*

Whereas, *Each of the three fourth grade classes at the school spends a half-hour on Wednesdays sorting and bagging soda cans, parts from old school desks and other metal items, as well as bi-metal and aluminum products. The students bring some of the recyclable materials to school themselves and get the remainder from people in the community, the cafeteria in their school and Seneca High School. Two or three times a year, the students pile the metal onto a Greene Township truck and take it to Lincoln Metal in Erie. They then collect a check for their recycling efforts and present it to the Greene Township Parks and Recreation Commission; and*

Whereas, *The classes have also learned about the benefits of recycling through presentations by members of the community and by writing about recycling, designing posters advertising their center, and studying about recycling in school.*

Now therefore, *the House of Representatives of the Commonwealth of Pennsylvania proudly recognizes the Fourth Grade Classes at Greene Township Elementary School for their valuable recycling endeavors; offers best wishes for their continued devotion to environmental concerns;*

And directs *that a copy of this citation, sponsored by the Honorable Thomas J. Scrimenti on June 7, 1995, be transmitted to the Fourth Grade Classes at Greene Township Elementary School, 9333 Tate Road, Erie, Pennsylvania 16509.*
