Dear Ms. Lynch: - *Judy* -

I want to thank you for including me in your efforts regarding the J.P.O. Grant Parity Legislation. I could not agree with your sentiments more. I believe, as you do, that the dollars spent through the J.P.O. Grant are wisely invested, delivering services and guidance where they can be best put to use. With that in mind, your letter was most welcomed. I hope that it is the beginning of a communication between us on the issues and concerns of our state's judicial system and any other matter of interest to you professionally or personally.

Ms. Lynch, I am pleased to tell you that I have signed on Representative Caltagirone's legislation as a co-sponsor. You can be assured that I will do all I can to work for its quick passage.

Throughout that process, please feel free to contact me with any ideas or comments you may have. If you would like, I can forward them on to the Judiciary Committee for their information and use.

Again, thank you for writing me on this important matter. I hope to hear from you again soon.

Sincerely,

*Tom*

Honorable Thomas Scrimenti  
9 West Main Street  
North East, PA 16428

Dear Representative Scrimenti:

Enclosed is a memo from Representative Tom Caltagirone to members of the House. This memo concerns a Bill Representative Caltagirone is introducing which will increase funding to counties for Juvenile Probation.

Juvenile Probation is a court program required by the State similar to Adult Probation. As you probably know, Erie County's cost for Juvenile Probation services have increased substantially in the last five (5) years but our State support has not.

We are asking you to support this proposed legislation. Enclosed for your information is the Bill which is expected to be entered into committee soon and background on the State wide Juvenile Probation program.

We are most grateful for your consideration of this matter.

Sincerely,

Judith M. Lynch  
County Executive
