Dear Ms. Johnson:

Thank you for contacting my office concerning your support for House Bill 2106 which is referred to as the "Keystone Equity and Educational Performance System (KEEPS)" proposal. I appreciate you taking the time to express your views on such an important issue. Few things are more crucial to the future of the Commonwealth than the education of our young people.

I will keep your thoughts in mind as I examine and review the tenets and feasibility of this legislation. It certainly attempts to undertake a momentous and worthwhile endeavor.

Again, thank you for expressing your support for House Bill 2106. If there is anything else that I may do for you with this or any other matter, please feel free to contact my office.
