I deeply moved and appreciative
~~of being~~ honored as a recipient
of the G.W. ~~Freedom~~ Award. It is a
humbling experience to receive this
recognition. I take this opportunity in thanking the
Freedom Foundation for providing leadership in passing on
to future generations the true values ^{American friends} and meanings that
are embodied in the Am. Flag. We must keep these values
alive + feel a ~~true~~ responsibility to pass on to each
generation the true meaning of freedom. — a freedom ^{precious} that many
have paid the ultimate price

Our military has given birth to a different type of ^{WARRIOR} warrior -
One who is armed with a scalpel, a test tube - a microscope
instrumental in finding cause & cures -

Yellow fever, measles, rabies -

- troops have built bridges, roads, ~~dams~~ ^{dams} -

in 1952 - Army Corp of Engineers - asked to help stop river
water entering freight tunnels under north city of Chicago -
2 days later - water flow stopped.

- Armed Forces - assisted Am. during Hurricane Betsy - ^{Andrew -} Camille -
helped flood victims in Calif. - & S. Dakota

- ~~for~~ Somalia - our Armed Forces - make peace - they are peace makers -
in Mozambique - Angola, El Salvador, Iraq - Kuwait - Bosnia

Warriors, healers, builders, & peacekeepers - these are our Armed Forces -
they are proud, professional - prepared with skill to win decisive
Victory in whatever mission ~~which~~ they are called

Flag-Burning Parents to Larger Problem

If the whole is the sum of
its parts, we had better begin
sizing up our contribution ^{to this} great
nation.

The Freedom Foundation at UF has made its mark
it up to all of us to make the effort so
that future generation will not tolerate or even
consider the desecration of the Am flag.
