The housing of a new piece of equipment
is special - continuing family tradition
of purchasing fire fighting apparatus once
every 20 years

- 1) For this 110 foot ladder truck - it is an end & a beginning
an end of ^{effort} planning, selecting, fund raising - (no doubt if that ever ends)
The housing of this fire truck ~~and~~ marks an important
partnership of this fire Co. & the Community
also ^{hosting} celebrates the beginning and continuation that faces the
officers + rank + file members are committed to the best
fire fighting service available.
- 2) We hope ~~this equ~~ this equipment will never be used but if it is

The Community will know its in good, qualified hands and is an up to date state of the art equipment.

Every one in this community can be grateful that the personnel & the equipment ^{stand} prepared to protect ^{good to} property - save lives. ^{Paul Mitchell} 911 - ^{county support of 911} - ^{good to} ^{system} ^{excess}

It is evident & many of us have seen change in taxpayers ^{surplus} fire fighting equipment but one thing that has never changed is the spirit & dedication of our fire fighters. It has been clearly demonstrated that fire fighters and other emergency personnel rank at the top of every community's list of vital services.

Thank you for your dedication to the task - for your willingness to put your life on the line in service to others!
I salute you - I commend you - I thank you.
