Our Salvation Army has been committed in service to

God & Man for 95 yrs. We are here to-day to celebrate the

renovation of the Paxton House & the renewal of program facilities

This dedication in 1992 accents the ~~continued~~ efforts of the
Salvation Army to continue their good works & reminds us of their
motto - "Heart to God ... Hand to Man" - To-day is another milestone in
the history of Sal. Army in WC -
