Arbon Day '98

Today is a day - of celebration +
dedication when everyone is a winner -
the residents at B.F. - The families + friends
of loved ones - the borough of Wisc - the
Administrators + staff at B.F. + esp
the nursing staff

My Assoc. with Friend Hall dates back to when my mother
spent the last 8 yrs at Friends - Now I have 2 sisters-in-law
who are currently being cared for at B.F. -

This facility is an ^{exemplar} state-of-art in the nursing care industry.

To-day we celebrate what goes on within its walls - that is the
very heart beat and what can make a new facility - a Great
facility - I speak of the quality of care which is the hallmark
of B.F.

Those who care for the frail, the lonely,
the elderly, the sick - those who are the
most vulnerable in our society - the very
heart beat - are at the center of this
celebration to-day.

To the ~~nurses~~ I thank you - I salute you - I encourage
you to continue to be kind, patient & cheerful as you
perform your nursing responsibilities -
