Sept 1988-

On the day of dedication
exhilaration - accomplishment - gratitude
a great day for all who gave
time talent & money to create

this meeting place for seniors

I like to thank

~~for~~ - older Pa - as backbone of our society -

Hear older yrs - as Golden Years - Rippe Old Age - saying
"Growing old isn't for sissies - most Sis try to
over come some stereotypes - the advantage of vintage -
vintage wines are the best -

Have our Sis - laugh, work, play - sing &
enjoy fellowship.

So from its beginning in 1988 the progress
& people give meaning to the bricks & mortar.
Lives have been enriched - the staff the board
in Sr. who come here have given enhanced &
enriched many lives.

the move. I have been working with the
authorities at BF ^{Harris} to have the facility
participate in the Medicaid (Medical
Assit program as well as Medicare.

call in Thurs that BF has been approved for Medical Assit
patients. What exactly does that mean - It means when a
resident/patient has spent down their financial resources that
patient can stay at BF and does not need to be moved
to another facility. I cong. B.F + C. Hamann for their part in
making this possible.

Those who care for the frail, the
young, the sick, the elderly - these
most valuable in our society ~~are~~ the
very heart beat - are at the center
of our celebration today -

With ~~thanks~~ you - we thank you -
salute

We encourage you to continue to
be kind, patient, cheerful as you
~~care for your~~ performing your ~~the~~
nursing responsibilities -

A challenge on this dedication
day. - Do you know that some of
the guests at F-H - Have a relative
visit or a dainty ones - some
wellby - then there are those who
have no one - Perhaps you could
take the challenge to visit that
person - my guess is that you will
be
