

Elinor Z. Taylor

CANDIDATE
HOUSE OF REPRESENTATIVES
156TH DISTRICT

Fall 1994

Dear Friend:

I take this opportunity to thank you for signing my petition. As you know, this is the first step in the process of my name being placed on the ballot for election.

To qualify for State Representative you must file a candidate's affidavit, sign a loyalty oath, file an annual campaign expense report, submit a \$100. filing fee, register a statement of financial interest and file at least 300 signatures of registered Republicans in the 156th district. With your help I was able to file over 400 signatures.

Once again I renew my pledge to you that I will serve diligently, forcefully and responsibly. Your interests and your priorities are mine. I take pride in being accessible and sensitive to your needs. You are really the hallmark of my campaign. You were with me at the start and I invite you to share with me the victory.

I ask for your continued support and encouragement. I need your vote on November 8th.

Cordially,

Elinor Z. Taylor

CONSTITUENT SERVICES OUTLINE

REPRESENTATIVE ELINOR Z. TAYLOR

One of the most rewarding aspects of my job as your state legislator involves the people business. It is my responsibility to have an open door policy with regard to assisting all 156th District residents with state-related matters or problems, and I am proud of my track record of prompt and efficient service in this regard.

My district office at 13 W. Miner Street, West Chester, is open to you. It serves as the pulse center for my efforts in Harrisburg on your behalf, and it functions daily as a constituent service center for the 60,000 residents of the district. It is the district office that brings Harrisburg home to Chester County.

I'd like to use this opportunity to remind you that the West Chester office is open Monday through Friday from 8:30 A.M. until 3:30 P.M. Even when I am in Harrisburg for legislation sessions, I remain in constant communication with the district office. I invite you to visit the office or call on me anytime you need assistance with a state-related matter. Services available include:

- helping to cut through bureaucratic red tape;
- providing updates and information on legislation under consideration;
- the process of driver's license and vehicle registration applications and renewals;
- the process of other types of license applications, such as those for various professions;
- providing applications for birth and death certificates;
- assisting senior citizens in obtaining and filing applications for the property tax/rent rebate program;
- providing literature about other senior citizens assistance programs;
- processing Pennsylvania Higher Education Assistance Agency (PHEAA) grants and loan applications;
- distributing copies of state highway maps and maps indicating the location of all state parks and recreation areas;
- distributing copies of various other state publications.

Additionally, please be reminded that my office can provide information on possible tours of the Capitol, Governor's Home or State Museum. Each year numerous groups from the 156th District make the trip to Harrisburg to enjoy these features.

Thus, should you need assistance with these or other state-related matters, please do not hesitate to call. It is my duty and my pleasure to go to bat for you. Once again, my district office address is 13 West Miner Street, West Chester. The phone number is 436-4433.

HOUSE OF REPRESENTATIVES
156TH DISTRICT

Fall 1994

Dear Friends:

My legislative offices have provided you with service. I trust you were pleased with the service you received and hope you will continue to utilize this valuable resource whenever the need arises.

Over the years that I have served as your representative, I pledged to represent you on a full-time basis, maintain a district office and be your strong voice in Harrisburg. I sincerely believe that I have fulfilled these promises. During my terms in the House, I have fought hard in Harrisburg to make certain that the interests of the 156th District were heard.

On November 8th, we will once again go to the polls to choose those individuals who will represent us in various state and federal offices. I want to continue to represent you in the General Assembly to make certain that the work I began continues. I do not profess to have all the answers to today's problems, but I will continue to work actively toward making state government more efficient and responsive. I will need your support to make this happen.

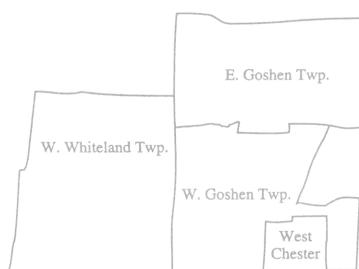

I hope you will decide to support my re-election efforts so that together we can work to build a better Pennsylvania.

Cordially,

Elinor Z. Taylor

P.S. I appreciate having had the opportunity to serve you. Now I need your vote on November 8th, 1994 so that I can continue quality service to the constituents in the 156th district. Thank you.

Dear

I was disappointed that you were unable to participate in my spring fundraiser. A fundraiser for **Elinor Z. Taylor** is unique. As you well know fundraisers are an integral part of a campaign effort. I hope you will find it possible to respond.

The ordinary fundraiser scenario goes like this: \$1,000. will buy you a first rate dinner; \$250. will assure you an "A-one" reception; or, how about \$300. for a \$20. breakfast. In addition to the financial layout, you have to travel - - find a place to park - - and then you get to see and talk with friends you see regularly.

The **Elinor Z. Taylor fundraiser** is different.

WHEN - AT YOUR CONVENIENCE
WHERE - AT YOUR DESK
WHAT - Your check for \$200. per "ticket", (three for \$500.)
WHO - YOU

Friends like you, who have been and will be supportive, are a part of my 1994 campaign. I have come to you because of your interest in my legislative activities. Your commitment at this time will be most appreciated and helpful to me. You can determine to what extent you can assist me.

If you decide to join in my fundraiser, you may sent your donation to:

HOUSE OF REPRESENTATIVES
156TH DISTRICT

Spring 1994

Dear Friend:

**"A politician thinks of the next election
A statesman of the next generation"**

James Freeman Clark

With the above thought in mind, I am announcing my candidacy for re-election to the Pennsylvania House of Representatives - 156th District.

As one of the Senior Members of the Republican Caucus (7th of 100), I have assumed leadership roles. During the current session I am the Republican Chairman of the Health & Welfare Committee, Vice Chairman of PHEAA, Vice Chairman of PAVE (PA AntiViolence Education Initiative). In addition the PA Home Health Agency named me Legislator of the Year - 1993. Also, I was named to the Henderson High School Hall of Fame in April of 1994.

I strive to ensure that all legislation reflects the views and meets the needs of my constituents. Fortunately, I have been highly successful in attaining important results for all of us through energetic and tenacious efforts. Our problems and issues demand dynamic leadership. With your encouragement I will be able to accomplish positive results.

Yes, I do need funding for my campaign. Over the years my friends and my supporters have been most generous in making contributions so I could run an effective campaign. I am proud of the fact that most of my financial support is received from individuals in the 156th district. (The dependence on lobbying groups has been minimal, thanks to you!) Your generosity makes it possible for me to inform voters about my work and to run an effective campaign.

Will you please consider sending your contribution to . . .
