Dear Liz:

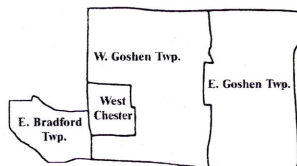

A part of a candidates campaign is "letters to the editor". I have enclosed a sample letter, which you may use - change - or perhaps author your own. My request is that you send this to the Daily Local News, Letters to the Editor, 250 N. Bradford Avenue, West Chester, PA 19382. Letters must be submitted before October 22, 2002.

Thank you for considering writing a letter for me and thank you for your support in my re-election efforts.

Cordially,

Elinor Z. Taylor

TO SERVE

THE PEOPLE

Dear Editorial Page Editor,

I believe it is important to have people in office who have the experience to get results for their constituents. That's why I'm casting my vote for State Representative Elinor Taylor on November 5th.

Elinor Taylor has worked hard as our state representative for over 25 years. As a member of leadership in the state House of Representatives, she has successfully used her position to help the families in our area. I can't think of anyone who has done more for West Chester and the surrounding townships than Elinor Taylor.

Over the years, Elinor Taylor has been able to bring back hundreds of thousands of our state tax dollars for important local projects. She's helped the local senior center, youth sports, fire companies, the Historical Society, municipal governments – and the list goes on and on. Elinor Taylor has helped countless people and organizations over the last 25 years, and residents certainly appreciate her efforts.

Experience matters. Elected officials in Harrisburg who have served the longest are in a stronger position to get results for their districts. We need to have Elinor Taylor continue representing us in the state legislature.

Sincerely,

First National Bank of Chester County
