The Honorable John M. Perzel
Majority Leader
Room 110 – Main Capitol
Harrisburg, PA 17120

Dear John:

House Resolution 523 was introduced on 4/10/02 in the House, thus no legislative action has been taken as of this date.

HR523 is a non-controversial resolution and is being offered as support for the Basic Education/Higher Education Science and Technology Partnership currently serving the Commonwealth, and requesting the National Science Foundation's support of this effort through the Foundation's Math and Science Partnership.

I am respectfully requesting that HR523 be placed on the calendar for consideration by the full House in the coming week. A presentation is being made to the National Science Foundation on April 23rd and this resolution would be a valuable part of that presentation.

A similar resolution is being offered in the Senate.

Thank you in advance for your kind consideration to this request. Should there be any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Larry O. Sather".

Larry O. Sather
