MEMORANDUM

SUBJECT: Proposed Resolution – American Heart Month

TO: All House Members

FROM: Representative Larry O. Sather

In the near future, I will be introducing a resolution designating February 2003 as “American Heart Month” in Pennsylvania.

The American Heart Association has declared February 2003 as “American Heart Association Month” in order to urge all the citizens of our state to spread the message that cardiovascular disease is the number one health threat for men and women, and for Pennsylvanians to take charge of their cardiovascular health and to support the lifesaving mission carried out by the more than 200,000 Pennsylvania American Heart Association volunteers.

If you wish to cosponsor this resolution, please contact Jennifer in my office at 7-3335 or by e-mail jhaines@pahousegop.com.
