Eric:

Enclosed paperwork is for your information. I double-checked on this and it seems that you will be permitted to attend all the meetings, but as of this date, will be unable to do any voting for Larry should he not be in attendance.

I was also informed that this might be further clarified at the meeting on March 17th, so we did not do a special letter designating you as Larry's replacement if he cannot attend meetings.

If you know anything further on this subject that we might not know, please give me a call. Thanks!

Honorable Larry O. Sather, Member
House of Representatives

Dear Mr. Sather:

The purpose of this letter is to confirm the date and time for the first Low Emissions Vehicle (LEV) Commission meeting and to clarify the attendance policy for Commission members at scheduled meetings.

The first meeting of the LEV Commission which was originally scheduled for March 5, 1993 at 11:00 a.m., has been rescheduled to March 17, 1993 at 1:30 p.m., in the First Floor Conference Room of the Northwest Office Building, (Liquor Control Board), located at Capitol and Forster Streets, Harrisburg, PA. I am again enclosing a copy of the map with directions to the meeting room. I apologize for any inconvenience this change may have caused you.

In addition, my correspondence of February 25, 1993 indicated that alternates could attend meetings in place of appointed Commission members. However, a further review of Act 166 indicates that there are no provisions for this practice. Therefore, although these meetings are open to the public and you are welcome to designate members of your staff to attend, only appointed Commission members may participate in carrying out the duties of the Commission.

Please advise Mr. Peter Gertz, by March 15, 1993, if you plan to attend the meeting on March 17, 1993. Mr. Gertz may be reached at 717-783-5842. Should you have any questions regarding the Commission, you may contact Mr. Gertz.

Sincerely,

Howard Yerusolim, P.E.
Secretary of Transportation
