Re: Bi-Partisan Commission

Dear Ed,

I am sending this letter for two reasons. First, to apologize for not being able to attend the first scheduled meeting of the Bi-Partisan Commission established in Senate Resolution 60. Ed, you know how I feel about the importance of supporting fire and emergency personnel in this Commonwealth and how pleased I was to be asked to be part of this very important project. Unfortunately I had already made a commitment to another very important meeting on March 23<sup>rd</sup> and do not feel it would be fair for me to cancel that commitment on short notice. I plan to be a very active participant of this group and I sincerely hope that future meetings can be scheduled that will not conflict with my legislative schedule and I will make every effort to attend future meetings.

Secondly, I am writing to inform you of the person who I have designated as my alternate in the event I cannot attend any meetings. My designated representative in my absence will be Mr. Randall Hockenberry. Randy is a constituent in my legislative district; he is a member of the McConnellstown Fire Company, Company 6; Randy is currently Vice President of the Huntingdon County Fire Chiefs Association and he is a long-time, active volunteer fire fighter and EMS provider. Randy is a very knowledgeable and honest man and I feel he will be a fine representative to the Commission whenever I cannot attend.

yes

I will be furnishing Randy with information on the creation and purpose of the Bi-Partisan Commission and he will be attending the first meeting as my designated alternate. I trust he will be afforded all the same courtesy and ability to contribute as I will whenever I attend meetings of this group. I will enclose all pertinent contact information for Randall Hockenberry at the conclusion of this letter.

The bills attached were given  
to Randy for the meeting.

I am very confident that our group can be very creative and will develop a functional and usable report and recommendations that can be submitted to the Legislature and Governor Rendell. I look forward to working with you and all of the members of the Bi-Partisan Commission. Please feel free to contact my office if you need anything from my staff or me.

Sincerely,

 Chairman, SR 60 Commission

Dear Ed and Bill:

It is our understanding that the minutes from the first full meeting of the SR 60 Commission may stand in need of correction. We have been advised that it was stated that Representative Tim Solobay was elected Co-chair of the Commission when in fact it should state he is serving as Vice-chairman. We would appreciate this correction being read at the next meeting of the Commission tentatively scheduled for May 4<sup>th</sup>.

Also, as you know, due to the House being in Session this week we were both unable to attend the meeting. If it is at all possible to hold the meetings at the Capitol when it is in conflict with voting Session, it would be greatly appreciated. Since there are often Committee meetings or other events being held on Session mornings, if the meetings are held in the Capitol it will give us a better chance of being able to attend. On non-Session days, it is fine to meet elsewhere.

Thank you for your assistance and consideration.

Sincerely,

Representative Stanley E. Saylor
