MEMORANDUM

SUBJECT: Proposed Legislation
Underground Utility Line Protection Law

August 23, 2000

TO: All House Members

FROM: Representative Guy A. Travaglio, Jr. *GAT*
11th Legislative District

In the near future, I will be introducing legislation to amend Act 287 of 1974, the Underground Utility Line Protection Law. This bill is part of a package of legislation, as recommended by the Pennsylvania State Association of Township Supervisors (PSATS), to clarify and improve the technical aspects of local government legislation in Butler and Cambria Counties.

This particular piece of legislation further provides for the definition of "line" or "facility."

Please join me in refining this Act and assisting our under-appreciated local government officials to better serve their constituents. If you would like to cosponsor this legislation, please contact my office via e-mail to: jgarofal@pahouse.net or call my office at 7-7686.
