Rep. Guy Travaglio  
138 E. Jefferson St.  
Butler, PA. 16001

Dear Guy:

As a member of the Butler County Association of School Retirees, I have been involved with all of the legislation concerning the Pennsylvania Association of School Retirees. From our march on Harrisburg to protect our funds from being used to balance the budget, until this present situation. I have been unable to contact you by phone so I am taking the liberty of dropping you a line.

We have been promised an increase in the amount of health insurance premium since almost a year ago. I believe that you are one of the most influential members of the Democratic caucus and know that you support HB 1401. So, may I hope that you would contact your caucus colleagues and urge them to support H.B. 1401 WITHOUT AMENDMENT, when they return to Harrisburg the week of September 25.

I know that you have been very supportive of PASR and I do appreciate all of your efforts on our behalf.

Sincerely,  
Lou DiMatteo's wife
