

DR. GEORGE K. HAUDENSHIELD
REPUBLICAN CANDIDATE
STATE LEGISLATURE

There will be a SPECIAL election on November 3rd to choose a Representative to fill the vacancy in the State Legislature.

What type person do you, a voter, want to Represent you - to act and speak for you - in the State Legislature?

As over 70% of the State budget is allocated annually in the fields of Public Education and Public Health perhaps you would be interested in having a Representative who has some personal knowledge, training and experience in these two areas where so much of our tax money is spent.

Dr. George Haudenshield has been a practicing dentist for 15 years. He was graduated from the University of Pittsburgh with highest honors. While in the Navy as a Dental Officer he had the opportunity of dealing with health problems on a large scale basis.

In 1954 George Haudenshield, the candidate of the Republican Party, was elected a member of the Scott Township School Board, the first Republican in 20 years. He is now President of the Chartiers Valley Joint School Board - one of the largest school systems in the county. From his experience on the School Board, he has become increasingly aware that many of the decisions affecting Public Education are made in Harrisburg rather than by the local School Board.

Public Education and Public Health are EXPENSIVE OPERATIONS - and ever expanding. You, as a taxpayer, deserve to have a Representative who can help to see that you get your money's worth.

Those who have met and worked with Dr. Haudenshield are delighted that a busy professional man is sufficiently interested to be willing to expand his community service into the State Legislature. They know him to be a very responsible, personable and analytical man who will continue to be a leader and strong influence for good wherever he may be.

If you feel it is time that we had someone from Allegheny County in Harrisburg with actual Health and School Board experience, then perhaps you will not only vote for Dr. George Haudenshield for Representative, but will also speak to your friends and neighbors on his behalf.
