IF YOU'VE DRIVEN ON RTE. 15 IN ADAMS COUNTY LATELY, YOU'VE NOTICED SOME CHANGES. THERE HAVE BEEN A LOT OF ACCIDENTS ON THIS ROAD . . . IN FACT, IT USED TO BE ONE OF THE MOST DANGEROUS STRETCHES OF HIGHWAY IN PENNSYLVANIA.

OUR STATE REPRESENTATIVE . . . KEN COLE . . . HAS BEEN FIGHTING TO MAKE RTE. 15 SAFE FOR MOTORISTS FOR TEN YEARS. IT'S NOT ALWAYS EASY TO CUT BUREAUCRATIC RED TAPE. YOU NEED EXPERIENCE. IT'S EVEN HARDER TO GET MILLIONS OF DOLLARS TO IMPROVE A MAJOR HIGHWAY. IT TAKES EXPERIENCE. KEN COLE DIDN'T GIVE UP. HIS PERSISTENCE BROUGHT SUBSTANTIAL FOUR-LANE IMPROVEMENTS TO RTE. 15. FOR IMMEDIATE RELEASE

HARRISBURG, Oct. 11 -- Citing his hard work to improve the quality of life in rural Pennsylvania, the Action Committee for Rural Electrification has endorsed Rep. Kenneth J. Cole, D-Adams, in his bid for re-election.

In an unanimous vote, the Action Committee of the 13 consumer-owned, nonprofit rural electric cooperatives in the Commonwealth supported the 91st District incumbent. Members of the committee based the endorsement on support of rural electrification issues, voting records, and stance on rural and consumer issues.

"Rep. Cole's continual efforts in support of the legislative activities of the Pennsylvania Rural Electric Association have been greatly appreciated," said PREA President Jesse C. Tilton III. "With hard work and through a mutually beneficial relationship, we can continue to improve the quality of life in rural Pennsylvania."

"Adams County is largely rural and its economy is based mainly on agriculture, so it is with great attention I monitor the rural issues facing my pastoral district," Cole said. "I am pleased to be recognized by a committee that does so much to enhance life in my district, and will be ready to perpetuate that enhancement in my next term as state representative."
