Honorable Kenneth Cole

Dear Representative Cole:

We are pleased to inform you that FARMER has found you to be a "friend of agriculture" and deserving of our political action committee's support. Our contribution to your campaign committee will be delivered within the next several weeks.

When selecting a candidate for support, FARMER considers the voting record on agricultural issues and the candidate's personal philosophy. It also seeks the opinion of the county farmers' association and individual FARMER members. Publicity of our endorsement is left to your discretion.

The FARMER committee wishes you success in your campaign, and we look forward to working with you during the next session of the Pennsylvania General Assembly.

Sincerely,

John R. Stoner

SUGGESTED
JOHN STONER QUOTES

Ken Cole understands farmers and agriculture and it shows in his work as a State Representative. His voting record on agriculture issues like tax reform, trespass laws and rural roads is one of the best in the General Assembly.

As chairman of the Federal State Relations Committee, Ken Cole has many opportunities to promote agricultural interests. His record shows that he has never forgotten farmers' interests and more often than not he has gone the extra mile on their behalf.

Ken Cole was selected for endorsement by the FARMER Committee because of what he has done for farmers during this session of the Pennsylvania General Assembly. Ken Cole has done as much as, if not more than, any legislator to promote the interests of agriculture.
