Dear Mr. Cole,

Thank you for coming in and teaching us about politics and your trip to the Democratic Convention. I thought it was sad that they had to put barbed wire over the fences to keep out protesters.

Sincerely,  
Matt Gless

Mr. Cole

Dear Mr. Cole,  
Thank you for, coming  
in and sharing with us about  
the government and stuff. I learned  
lots about what the president  
does, like signing papers and passing  
it to the other branches. I learned  
some things about the Democratic  
convention, too. Thank you for coming  
in. Yo
